PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED  
UNINTENTIONALLY UNDER 37 CFR 1.137(b)

Dear Sir:

Applicants respectfully submit that the entire delay in filing the required reply  
until the filing of a grantable petition pursuant to 37 CFR §1.37(b) was unintentional and  
petition for the revival of the above-identified application.

An Office Action was mailed on January 28, 2004. At that time outside counsel  
for Johnson & Johnson was assigned the instant case. After the mailing of the Office  
Action, but before the final response was due on July 28, 2004 (with a three month late  
fee), the undersigned requested that outside counsel terminate any further work on the

instant case and forward the file to the undersigned. Outside counsel did so; however, the undersigned neglected to notify the Johnson & Johnson docket clerk that outside counsel was no longer responsible for prosecuting the instant case. Accordingly, the individual docket for the undersigned was not updated indicating that outside counsel was no longer prosecuting the case. On August 26, 2004, the undersigned examined the case and realized that the actual six-month period to respond had expired (July 28, 2004).

Enclosed herewith is a proposed response to the stated Office Action in the form of an RCE and preliminary amendment.

A terminal disclaimer is not required since the application was filed after June 8, 1995.

The Commissioner is hereby authorized to charge the petition fee of \$ 1,330.00, and any additional fees, which may be required, to Account No. 10-0750/END-696/VEK. This Authorization is being submitted in triplicate.
